

Face Coverings

Face coverings are required for all guests and employees. Please bring your own face coverings and wear them at all times after you exit your car. You may remove your face covering momentarily while actively drinking, but you must be stationary and maintain appropriate physical distancing. You may not walk around with an open water bottle, for example.

All face coverings (whether disposable or reusable) must:

- Be made with at least 2 layers of breathable material
- Fully cover the nose and mouth and secure under the chin
- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops and allow the guest to remain hands-free

At this time, based on guidance from health authorities, neck gaiters, open-chin triangle bandanas and face coverings containing valves, mesh material or holes of any kind are not acceptable face coverings.

**THE USE OF FACE COVERINGS IS NOT A
SUBSTITUTE FOR PHYSICAL DISTANCING.**
